

Let us do the driving for you!

CEVA's specialist transport solutions... for vehicles

No matter what your vehicle is, with CEVA's modern fleet of specialised transporters, we have a service to suit all your vehicle transport and shipping requirements, including motorcycles - anywhere in Australia.

With over 50 years experience, CEVA has built a strong reputation for the timely, safe and reliable delivery of vehicles for large commercial customers and for people just wanting to transport their vehicle for holiday or relocation purposes.

Our expertise is recognised by some of Australia's foremost motor vehicle companies including Audi, BMW, Mazda, Subaru and many leading removalist companies.

So no matter which service option you choose, let CEVA do the driving for you and know that your vehicle is in good hands at all points of its journey.

You will even be able to track your vehicle's progress 24/7 at www.cevacarrying.com.au
