

## Let your bike hitch a ride with us

### **CEVA's transport cradle for motorcycles**

With CEVA's protective cradle to cushion the journey, we promise to deliver your motorcycle safely - anywhere in Australia.

Our unique cradle hugs the motorcycle's front tyre, locking it in place and eliminating any damage to struts and forks. A strap then secures the rear wheel.

Suitable for most on and off road motorcycles, our cradle is just another example of CEVA's innovative approach to vehicle logistics.

For more information or to arrange a ride for your bike call **13 CARS** (13 2277) or visit [www.cevacarrying.com.au](http://www.cevacarrying.com.au)
